Distance:

Find the shortest route to the hotel, with the constraint that you will have to stop for a coffee in Manosque. Failure to produce a receipt will result in 10 penalty points being deducted.

Further, as you are going along, please make the following pictures with your digital camera:

- The prettiest church you come across
- The prettiest landscape you see
- The prettiest waterfall you see

On arrival, the prettiest photos will be selected by a vote (you will not be allowed to vote for your own photos!). If your photo is selected, it will earn you 5 points.

On arrival, teams will be ordered according to the km readings on their car. Points will be given (from the shortest to the longest distance) as follows: 25, 20, 15, 10, 5, 4, 3, 2, 1.

Penalty points will be given for every 5 minutes that you arrive late (in the morning after 11.00 and in the evening after 17.00 hrs) according to the formula  $n^{**2}$  as applied on the previous days.
