

11th Segny-Monte Carlo Rally, Programme

Thursday 29 may – Sunday 1 june 2003

Day 1, Thursday 29 may

Afternoon stage, 14.00-18.00. **Treasure Hunt.**

Instructions

The hunt is composed of three sections. The tulips here are for the first section only. For each correctly answered question during this treasure hunt, you will get 2 points. If you are at the end of the tulips, and you do not know how to go further, or if you are lost, **open the first panic envelope!**

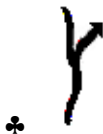

Opening a panic envelope will cost you 10 points. If, after opening the first panic envelope, or for some other reason, you are stuck again, **open the second panic envelope!** Again, this will cost you 10 points. You get an extra 2 bonus points for finding the correct name and address of the hotel.

If, after opening the second panic envelope, or for another reason, you don't know the name of the hotel, open the last panic envelope at a cost of 10 points.

You have 4 hours to do this treasure hunt. If you have not reached the end of the first stage by 16.30 you should open the first panic envelope. If you arrive after 18.00, penalty points will be calculated for each 5 minutes you are late (0-5 mins: n=1; 5-10 mins, n=2, etc.) according to the formula $n**2$. These penalty points will be subtracted from your total.
